Sheets for building and DIY

KING King Plastic Corporation

King StarBoard® sheets

The original marine-grade high-density polyethylene sheet.
The King name is synonymous with quality and the King StarBoard® brand has been helping pros build better boats for more than thirty-years.
It is the product of a proprietary process called K-Stran™, the most advanced manufacturing process for superior flatness and consistency. Matte finish on both sides of the sheet.
It is environmentally stabilized to withstand the harshest outdoor conditions. It will not rust, delaminate or rot when exposed to UV, humidity or water.

- Structural roofing.
- Bulkheads in the bilge or the peaks.
- Shelves.
- Furniture.
- Frames and finishings.
- Hatches and doors.
