

OSCULATI**Cruiser 16A socket and plug**

16A	IP67	IEC 60309-5
-----	------	-------------

Marine plug and socket for 16A - 230V shore power cord. Made of PA6, fitted with high energy efficiency contacts and IP67 cover. Plug designed for ergonomic grip, fastened to the boat socket through a rotating bezel. IP67 watertight closure. A rubber cap ensures IP44 tightness when unplugged. Simple and compact design for easy installation in any corner of the cockpit. In compliance with the IEC 60309-5 European safety standards.

**OSCULATI****Cruiser 32A plug and socket**

32A	IP67	IEC 60309-5
-----	------	-------------

Nautical socket and plug for 32A - 230V shore power cable. Made of PA6, equipped with high energy efficiency contacts and an IP67 closure cap. The plug is designed to ensure an ergonomic grip, and the rotating ring allows it to be securely fastened to the boat's socket with an IP67 watertight seal, while the rubber cap ensures an IP44 seal when not connected. The clean design and compact dimensions allow for convenient installation of the socket anywhere in the cockpit. Compliant with European safety standards IEC 60309-5.
