

SUP rack or gangway kit in stainless steel

This kit is used to fasten the SUP board or the gangplank out of board.
To be mounted to the railing by means of 360° adjustable stainless steel clamps.
The quick-release knob system allows each arm to be rotated immediately when not in use or rotated at a tighter angle to better fit SUPs or narrower gangways.
Each arm features a high-intensity foamed PVC protection that shields the SUP or gangway from abrasions and has adjustable and easily removable straps.

Deluxe version: for 20- to 28-mm diameter tubes with AISI316 stainless steel accessories.

Code	Version	dimensions mm	For pipe Ø mm
42.365.00	Delux	230 x 115	20/28
42.365.10	Standard	230 x 115	22/30
